I know you care + it will be my  
last thought - someone cares but  
I just can't make it right. God knows  
the yellow socks go with Brenda's  
new skirt + blouse I made this a. m.  
I awoke at 2 - (to be made) - awful dream - Nazi's

You trusted me with medication + I let  
you down - I'm sorry - you so kind  
you always stand by  
Everything I'm sorry about - + school  
but I can't make it even with  
you - you said you would be a  
failure if I did this but you're not.  
I love you. I do love you. I
